Membership Fee 2019

Dear Saab Friends,

It is time for the annual membership fee, 300 SEK, your annual contribution to the Saab Car Museum via the Support Organization. The fee include free entrance to the museum for members.

Please look at the page “Membership and Payment” at our website supportsaabmuseum.com and follow the instructions there. We would appreciate to have your payment during January.

If you have payed recently you can off course disregard this.

Saab 96 Group-3 replica, Saab book

As informed earlier the Support Organization is building a Saab 96 Group-3 replica. It is planned to be ready and handed over to the museum during 2019.

”SAAB – WE did it”, the book about Gunnar Ljungström and his pioneers, who started Saab car era, can be ordered from the museum [webshop](#)

You are important for us and hopefully you will continue to support us also 2019.

Best Regards
