

Dear Saab friends,

Time moves fast when you have fun and it's already the last month of the year,

The BIG event this year was of course the Saab Car Museum Festival in the early summer. What a fantastic event with new record of visitors, close to 20 000 and 1 020 cars displayed outside for judgement.

The "Carlsson på taket" Award was given to Tom Donney from Iowa USA for outstanding performance on the Bonneville Salt Flats in the spirit of Erik Carlsson.

During the year we have finished several projects to support the Saab Car Museum, All money spent for this comes from Membership fees and Donations and it's thanks to you, our members generosity that we have been able to do this:

- New fresh display stands at all objects in the Museum
- A much wanted Hearing aid loop in "Filmsalen"
- At the Festival we unveiled the "Replica" of the 1962 Saab Group 3 race car that was driven by Gösta Karlsson, among other races, in Falkenberg 1962. The car was handed over to the Saab Car Museum for exhibition and to be used in events to promote the Museum
- A Big screen TV is installed to present the Saab Car Museum Support Organization, our Sponsors and Projects

Our Facebook site, Saab Car Museum Support Organization, is working well and we have 800+ followers that we hope can be converted to paying members.

Please remember that after the Holiday celebrations it's time to renew the Membership for 2020 ([here](#)), Your support is essential to help keep the Museum alive and interesting. We do have more projects in the pipeline....

Now we all are looking forward to celebrate Christmas and the start of a new wonderful year,

From all of us to all of you,

Merry Christmas & Happy New Year

Thomas Sinclair
Chairman Saab Car Museum Support Organization
