

### **How the Support Organization processes your personal information.**

Personal information is classified as being all types of data that can be linked to an identifiable living person - directly or indirectly. When and how a person's personal data may be used is governed by the General Data Protection Regulation (GDPR). The Support Organization is responsible for all the personal data collected from the members.

### **In order to perform our mission**

The Support Organization is a non-profit Organization that aims at raising funds which will be used towards developing the Museum and to attract further the number of visitors to the Saab Car Museum in Trollhattan, Sweden. This means that for us to meet set business targets we process personal information about our members.

The formal basis of the GDPR, relevant to the Support Organization's personal information process, are the number of memberships held within the organization having consented that the organisation may process personal information of its current members. This is needed in order to fulfil an official 'agreement of membership'.

The Support Organization only saves personal information for specific purposes or until a membership is terminated.

We process your personal information prior to contacting you and to inform about our business activities. We collect personal information once you have:

- Signed up as a member and paid the membership fee
- Supported with a donation in any form
- Signed up for our events.

### **What kind of personal information do we store?**

- Name
- Contact information (such as home address, e-mail address and telephone numbers etc)
- Other information you have provided us with.

### **What rights do you have?**

If you want to know what personal information we have about you then please feel free to contact us via our email address - [scmsupp@gmail.com](mailto:scmsupp@gmail.com)

With Kind Regards
